✉ dewanganmitalee94@gmail.com

📍 Bhilai, Chhattisgarh, India

Summary

Dedicated Full Stack Web Developer with a B.Tech in Computer Science, experienced in building interactive web applications. Proficient in React.js, Node.js, Express.js, PHP, MySQL, and MongoDB. Demonstrated strong problem-solving skills, backend development expertise, and a commitment to creating user-friendly, responsive web experiences through academic projects and self-learning.

Work Experiences 6m

Full Stack Web Developer Trainee
Seed IT Solution

Dec'24 - Present 6m
Bhilai, Chhattisgarh

Completed hands-on training in full stack web development, mastering HTML, CSS, JavaScript, React.js, Node.js, Express.js, PHP, and MySQL. Gained practical experience in building responsive, database-driven web applications with real-time functionality and RESTful API integration. Contributed to multiple real-world projects, focusing on frontend, backend, user authentication, and deployment practices under expert mentorship.

Projects 3

AI Powered Code-Reviewer 🔗
Developer

Developed an AI-powered code reviewer using React.js, Node.js, and Express.js, featuring a responsive and interactive UI. Integrated third-party AI via secure API keys to analyze code for syntax, quality, and best practices. Enhanced review efficiency by 40% through real-time feedback integration and automation.

One-to-One Chat Application 🔗
Developer

Made with 💙

Hindi

English

Developed a real-time private chat application using PHP, MySQL, JavaScript, jQuery, and AJAX. Implemented user authentication, online status tracking, and real-time message updates without page refresh. Designed an intuitive interface with secure message storage and retrieval capabilities.

Gemini AI Chatbot Clone

Developer

Engineered a full-stack AI chatbot using React.js and Node.js, integrating the Google Gemini API for real-time conversations. Implemented secure backend communication, robust error handling, and dynamic UI updates. Included features like prompt history and typing animations to enhance user experience.
