Travelling | Dance

Language

Hindi (Native) - Reading, Writing, Speaking
English (Working Professional) - Reading, Writing, Speaking

Projects

PhoneBook Web Application | https://github.com/Mitaleedewangan/PhoneBook-Web-Application

- Developed a fully functional Phonebook Web Application utilizing front-end and back-end technologies for efficient contact management. The application enables users to easily add, edit, delete, and search for contacts. Implemented a clean, responsive user interface and secure data handling, ensuring reliable storage and retrieval of contact information.
- Frontend: HTML, CSS, and JavaScript.| Backend: PHP| Database: MySQL

Complaint Management System | https://github.com/Mitaleedewangan/Complaint-management-system/tree/main

- Developed a web-based application that allows users to register, log in, and submit complaints, while administrators can efficiently manage, accept, or reject complaint .The system includes user authentication, real-time tracking of complaint status (pending, accepted, rejected), and an admin dashboard for easy complaint management.All data, including complaints and user information, is securely stored and managed in a MySQL database.
- Frontend: HTML, CSS, JavaScript |Backend: PHP |Database: MySQL

One-To-One Chat Application | https://github.com/Mitaleedewangan/One-To-One-Chat-Application

- Developed a real-time private chat application using PHP, MySQL, JavaScript, jQuery, and AJAX. Implemented user authentication, online status tracking, and real-time message updates without page refresh. Designed an intuitive interface with secure message storage and retrieval, ensuring smooth user interactions.
- Fronted : HTML , CSS , JavaScript , Jquery | Backend : PHP | Database : MySqL

Certificates and Achievements

**Core java Certificate | ** https://www.linkedin.com/in/mitaleedewangan10/

- Certified in Core Java programming concepts and understanding of programming fundamentals, including object-oriented principles, data structures, and exception handling.

DataStructure & Algorithm (java) Certificate | https://www.linkedin.com/in/mitaleedewangan10/

- Certified in Data Structure & Algorithm and understanding of key data structures dand algorithms, including arrays, linked lists, stacks, queues, trees, and graphs.
